

5 & 6 OCT
2023

*Diverse Challenges,
Sharing Solutions*

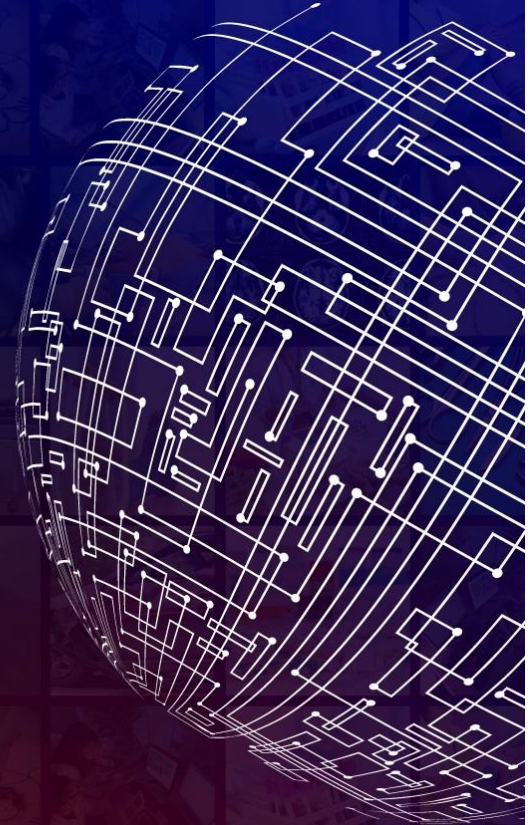

Suntec Singapore Convention & Exhibition Centre

The **Singapore Trauma and Acute Care Conference (STACC)** is back this year with the theme "Diverse Challenges, Sharing Solutions"!

Over two full days, you will have the opportunity to learn, share opinions and have a dynamic exchange of ideas, in person, with our international and regional experts on various inter-disciplinary topics spanning five scientific tracks- Emergency Medicine and Pre-hospital Care, Anaesthesia and Critical Care, Trauma and Acute Care Surgery, Neurosurgery and Orthopaedic Surgery.

You can also look forward to active engagements with our faculty, networking with each other and discovering technological innovations from our medical partners.

Register with us today!
